LIVES EMPOWERED, LIVES TOUCHED

TO EDUCATE AND NURTURE THE SCHOOL COMMUNITY FOR A BETTER SINGAPORE

COMPASSION, INTEGRITY, DISCIPLINE, LOYALTY, RESPECT, COURAGE, TEAM SPIRIT

partners, I'm reminded that it takes a village to raise a child. Thank you for all these years of support and partnership which have helped me grow wiser and whiter (hair wise). I have often shared with many visitors that these people are the key that made the difference in Edgefield Primary.

(2008 - 2014)

## ENGLISH MODIFIED LANGUAGE EXPERIENCE APPROACH

The Modified Language Experience Approach, commonly known as MLEA, is a shared learning experience that provides pupils with the sights, sensations and verbal tools to put their thoughts on paper. Pupils get to participate in a learning journey or hands-on activity that provides the context and content for them to think, talk and write about. It provides pupils with ideas and inspiration for stories of their own.

## ENGLISH LITERATURE INTEGRATED PROGRAMME (LIP)

The Literature Integrated Programme (LIP) is introduced to high-progress learners at Primary 4 level and tailored to draw the link between the 21st century competencies, creativity and the importance of critical thinking skills.

Students are introduced to the literary text, 'James and the Giant Peach', written by Roald Dahl. Students are developed in close reading skills. We hope to develop criticality when students carry out independent thinking about characters in the story and the conflicts experienced by them.

## MATHEMATICS USING MANIPULATIVES IN PROBLEM SOLVING

Mathematics concepts are learnt effectively through the CPA approach: understanding the Concrete representation first, followed by Pictorial representation which is then finally transferred into Abstract context. Pupils develop conceptual understanding through performance tasks, which involve hands-on activities that provide them with experience by using manipulatives and learning tools. Pupils are also taught to apply the concepts and problem solving skills into solving mathematics in real life situations.

## MATHEMATICS

## SCIENCE ECOGARDEN

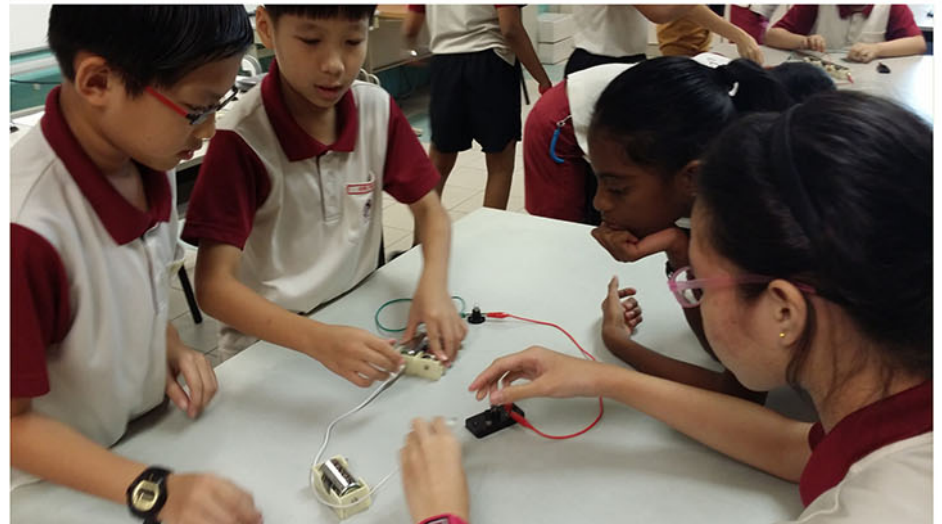

The school ecogarden has a diversity of plants and animals for pupils to observe. It is an outdoor laboratory where pupils can grow their own plants and learn how to care for them.

In the science laboratory, pupils observe scientific phenomenon through experimentation and exploration. Pupils, when engaged in these hands-on activities, will understand Science concepts better and thus be able to apply the experience to other situations.

## SCIENCE LABORATORY

## MOTHER TONGUE FORTNIGHT

Mother Tongue Language Fortnight was held from 3 March to 14 March 2014. The objectives of the programme are to create students' interest through engagement in various cultural and language activities and to provide opportunities for effective use of Mother Tongue Language in an authentic learning environment. Across the levels, pupils participated in activities such as singing, penmanship, interactive market place activities, song appreciation, creative writing, storytelling workshop, language games, literacy competition and quizzes in the Horizontal Learning Space.

The Mother Tongue Department organised the P4 Cultural Camp with the aim of helping our pupils learn and appreciate the Chinese, Malay and Indian culture in a fun and interactive manner. Activities include Chinese Calligraphy, Wushu, Wayang Kulit, Dikir Barat and Indian Mask-making.

## P4 CULTURAL CAMP

Singapore Youth Festival (SYF) Art Presentation,

## INTERNATIONAL DANCE

Certificate of Distinction

*I felt happy and excited when I was informed that I was chosen to participate in the SYF. At first, I was quite confused about how to do the dance steps. But then, with the help of my friends and with lots of practice, I could finally do the steps flawlessly. All our hard work paid off when we achieved our Distinction award.*

Cheryl Lee, 4 Love

*It was my first competition and the experience at the SYF was very interesting! I learnt a lot about the Chinese culture and values.*

Lim Kai En, Ashley, 4 Joy

Singapore Youth Festival (SYF) Art Presentation, CHINESE DANCE

Certificate of Accomplishment

Singapore Youth Festival (SYF) Art Presentation, **INDIAN DANCE**

Certificate of Distinction

*We were awarded distinction again after receiving it previously in 2008. Thanks to Madam kamaria, our dance instructor and other teachers who supported us.*

*Nandanaa Raju, 5 Joy*

Singapore Youth Festival (SYF) Art Presentation, **MALAY DANCE**

Certificate of Accomplishment

*Team spirit was very important as we all needed accuracy and good coordination in the dance moves. It was enjoyable and I felt very happy and proud after our performance as we all had put in our best effort in the dance even though we were such a small group!*

*Nurul Nadhirah, 5 Faith*

After attending the Friend of Singa (FOS) workshop, our FOS Ambassadors initiated Project B.U.G with guidance from the teachers. The values 'benevolence', 'understanding' and 'giving' had inspired the project name 'B.U.G'. The B.U.G was used as an icon to personify a benevolent, understanding and giving creature. It encapsulated the theme of 'A B.U.G of Kindness Starts With One Thoughtful Me'. This theme resonated with our tagline of 'Make It Viral'. The underlying principle behind this project was to develop leadership skills of FOS Ambassadors and allow them to reach out to the school community. To enhance students' awareness of kindness and graciousness, a school-wide publicity drive was mounted. The purpose of the drive was to communicate to our students the importance of kindness in action through the Values Education programme and supporting activities during the Kindness Week.

## FRIENDS OF SINGA

## INTERGENERATIONAL PROGRAMME

The Intergenerational Learning Programme for senior citizens was organised by Fei Yue Community Services and C3A Ageing Well in collaboration with Edgefield Primary School. Participants signed up for the photography course through the C3A portal, for the purpose of continued learning and maintaining a healthy and active lifestyle. Our Photography Club pupils and teachers were the instructors in the photography course which spanned over four sessions from 18 July to 22 August 2014.

*It was an experience for me to interact with the senior citizens. I am able to teach the senior citizens the fundamentals of photography and they loved it. I would like to join more of such programmes in the near future.*  
Zoe Chan, 5 Hope

## ENVIRONMENTAL AWARENESS

Our school has come up with various activities and efforts all year round to promote and to create awareness on environmental issues. Earth Hour, Earth Day and the STRUT Project (Saving through Re-using Textbooks) are some activities organised for our pupils with the purpose to bring across the key message on 'Reduce, Reuse and Recycle'. In collaboration with the Service Learning Department, some Primary 4 and 5 student leaders also took part in the Seashore Life Programme held at the Pasir Ris Park on 27 August 2014. This beach cleaning effort emphasised the importance of keeping habitats clean in order to protect seashore life and the ecosystem.

*I felt that the children who suffer from cancer should not worry about having a bald head. Hair for Hope is not about getting free haircuts. It is about showing empathy for these children.*

*Lim Yeo Di, 4 Love*

## HAIR FOR HOPE MAKE A BALD STATEMENT

Twenty-eight pupils from Fung Kai Liu Yun Sum Memorial School, Hong Kong visited Edgefield Primary School with their teachers and their Vice Principal, Ms Tsang on 13 February 2014. The Hong Kong pupils were brought around our school by our prefects. Some other prefects were buddies to them, who accompanied them for the day's activities such as classroom experience, recess and cultural activities. They interacted with one another through learning to play Gong bang (Malay traditional instrument) and making Kolam (Indian art) together. Our Hong Kong visitors and our pupils exchanged gifts and wishes.

*"I wish time could be longer for the Hong Kong visitors to stay and see the school, and I managed to connect with them although they didn't know much English."*  
Ain Sakinah, 5 Love

*"The best thing I have done was to interact patiently with them, as I always don't dare to speak up."*  
Koe Xin Lu, 5 Joy

## HONG KONG STUDENT VISIT

*As a student photographer for the Beijing trip, I helped my teachers carry the photography equipment and did my best to capture memorable moments during the trip.*

Yeo Wen Bin, 5 Grace

## BEIJING OVERSEAS CULTURAL IMMERSION TRIP

## CHIANGMAI OVERSEAS CULTURAL IMMERSION TRIP

*In "School for Life", a school that we visited, I was astounded by the pupils. They were the strongest and most disciplined people I have ever met. Even though some of them lost their parents in the 2004 tsunami, they always found ways to see the bright side of life. They love their school and they know how to behave even when no one is watching them.*

*Haidah Ramlan Latiff, 5 Faith*

## SIEM REAP OVERSEAS CULTURAL IMMERSION TRIP

*I learnt that we should be grateful for what we have as the school that we visited did not have a canteen, proper floors, clean water, toilets and electricity and yet the students were very happy. I also learnt to have a kind heart like them. When we gave each of them a can of Sprite, they did not drink it but brought it home to share with their family.*

*Ho Min Xi, Theodora S Grace*

CELEBRATING SINGAPORE'S 49TH BIRTHDAY

## NATIONAL DAY CELEBRATION

*The NE Show was a memorable experience where we developed a strong sense of patriotism. We love Singapore for its 'never give up' spirit. Singapore has been independent for 49 years, pulling through many hardships despite numerous obstacles, and possessing no natural resources.*

*Joel Tan and Nur Raeesa Iman, 5 Joy*

The aim of this event is to promote parent-child bonding in which both parents and their child will be involved in their child's CCA activities. Through this involvement, parents will have a better understanding of their child's CCA in Edgefield Primary School and continue to support their child's CCA endeavour.

## CCA PARENT INVOLVEMENT DAY

## SOCCER

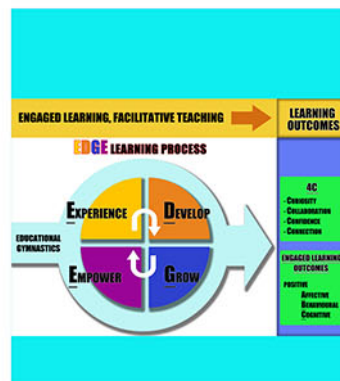

### ACHIEVEMENTS

#### Junior Division:

- 3rd placing in North Zone Tournament 2014
- Man of the Match : Shakthi slo Vinayagajayan, 5L
- Sportsmanship Award : Chew Jun Xuan, 5J

#### Senior Division

- 4th placing in North Zone Tournament 2014
- Sportsmanship Award : Amirul Syafiq Bin Mohamed Faizul, 6F

## MOE EXCEL FEST

Edgefield Primary School's innovative project, Engaged Learning, Facilitative Teaching in Educational Gymnastics, has been selected to be showcased at MOE ExCEL (Excellence through Continuous Enterprise & Learning) Fest 2014.

MOE ExCEL Fest is a platform to celebrate and share exciting, innovative practices in schools. This is in line with MOE's focus on Innovation and Enterprise (I&E), which is a set of life skills and attitudes that we actively seek to develop among our teachers and students. It was held at Suntec City on the 11th and 12th April 2014, involving a group of PHE Teachers and selected pupils.

Edgefield Primary School supports and promotes mass participation amongst pupils especially in physical activities. The Annual Interclass Games aims to involve all pupils in various fun-filled physical activities based on the skills trained and acquired during the PHE lessons and applying them in games situation.

## INTERCLASS GAMES

## P4 ADVENTURE CAMP

The camp aims to promote camaraderie through teamwork and to build confidence and self-esteem of the pupils. Pupils will have a chance to experience outdoor adventure activities such as outdoor cooking, challenging rope elements, basic kayaking, raft-building and abseiling.

## P3 SLEEPOVER

The camp has provided excellent opportunities to cultivate moral values and desirable social attitudes whilst giving opportunities to build character and leadership responsibility in our pupils. Pupils will have a chance to experience outdoor education activities such as nature appreciation and learn relevant basic life skills.

**Mdm Anmol Sanjay Kanaya**  
Corporate Support Officer

A warm smile and great customer service never fail to brighten anyone's day. I enjoy bringing this great feeling to the people I interact with every day. Customer service is a state of mind and because I am happy and truly blessed to be working with amazing school leaders and wonderful colleagues, that positivity reflects in my service.

# 2013 EXCELLENT SERVICE AWARD

EXSA SILVER

Capacity building for excellence in teaching and learning.

## STAFF DEVELOPMENT

Staff development is crucial and is an on-going process in school. We seek to equip our teachers with skills to support them in successful teaching which in turn has an impact on the quality of teaching and learning. On-going learning opportunities are made available to teachers as we work towards 'Every teacher, a caring educator'. Besides looking into teachers' professional development, the needs of the teachers are important too.

The staff welfare committee (SWC) collaborates with different departments in the school to look into the well-being of the teachers. The SWC is committed to create a high staff morale. Activities and events are organised to create a sense of belonging and foster camaraderie among the teachers.

## STAFF DEVELOPMENT

## LEADERSHIP EMPOWERMENT DAY

Leadership is about responsibility, not position or privilege. Every leader needs the courage to press on when faced with challenges. On this day, our pupils are empowered with the responsibility as student leaders of the school. They are to uphold the school values, use this opportunity to make a positive difference in the school community and touch the lives of all Edgefielders.

The Prefect Training Day Camp was organized for the Primary 4 to Primary 6 prefects during the first week of Term 1. The three and a half day camp was held in School. During the camp, the prefects attended a module on 'Seven Habits of Highly Effective People'. Other areas such as the roles and responsibilities of a student leader, service learning, scenario-based discussions and preparation for the Prefects Investiture 2014 were covered. There were fun and engaging team-building activities which the participants thoroughly enjoyed. The prefects have requested for another camp next year as they found the contents beneficial to their character and leadership development.

*"Coming together was a beginning, staying together was a progress, working together was a success."*

*Delphine Sim, 6 Hope*

*"Through the games we played, I learnt that team work, coordination and cooperation were critical to make any event a successful one."*

*Goh Yi Xian, 5 Joy*

## PREFECT TRAINING DAY CAMP

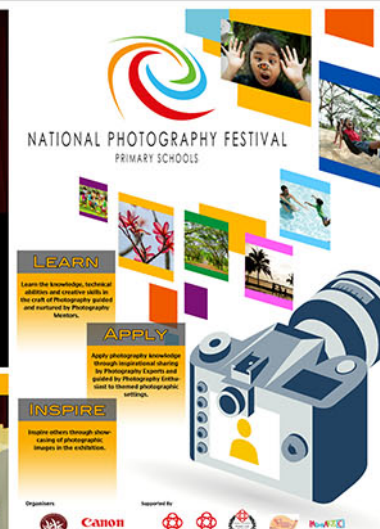

## NATIONAL GEOGRAPHIC YOUNG EXPLORER EXPEDITION

## 3RD NATIONAL PHOTOGRAPHY FESTIVAL

This is the 3rd year that Edgefield Primary School is organising the National Photography Festival. The event was held at Braddell Heights Community Centre on 19th July 2014 with 45 participating schools roaming the Braddell Heights Estate for good photo-capturing opportunities. The Theme for this year is 'Nature, People, Landscaping and Family'.

## DEEPAVALI CELEBRATION

*I felt very proud to have participated in the celebrations of Deepavali. I felt lucky that we still can celebrate many festivals in a traditional way in Singapore. It is good that we are involved in the celebrations in these festivals as it can enrich our cultural awareness.*

*Bhama Babitha Nair, S Patience*

The Deepavali concert began with a virtual lamp lighting ceremony. A video depicting the story behind Deepavali, Festival of Lights, was screened to help the pupils appreciate the meaning of the festival. The colourful performances by the vibrant Indian classical dancers and folk dancers mesmerized the audience. The pupils also enjoyed an entertaining music video of Deepavali wishes produced by the Mother Tongue teachers. The concert ended with an energetic dance finale accompanied by a standing ovation from the audience.

## GRADUATION BALL 2013
